

Presented by: Jason Fritz

Duty of Care Practices

Chauffeur Screening

All chauffeurs are experienced, professional and well dressed. They must be licensed, drug tested, and current on training. Background checks are performed on all chauffeurs.

Vehicle Monitoring

All vehicles are inspected, properly licensed and receive regular maintenance. They must be in excellent condition.

Service & Safety Monitoring

Chauffeurs are continuously reviewed using customer feedback, mystery shoppers, and in vehicle GPS data.

Insurance

ALLSTAR provides a minimum of \$5M in coverage on all vehicles.
